COMMUNITY ASSOCIATION

A Vision for our Community: 2020 and Beyond

CBLCA hosted a community conversation in November 2019 to begin to create a shared vision for our community. Overall, the feedback made it clear that we live in a great neighbourhood, with good people and beautiful natural surroundings. As our neighbourhood evolves, we will aim to preserve and strengthen what makes it great and remain open to suggestions for improvement.

PROTECT NATURAL SPACES

Parks, trees, greenspace, the Greenbelt, wetlands and waterways.

All of it!

MAINTAIN SENSE OF BELONGING

Maintain welcoming feeling and strong sense of belonging.

DEVELOP PARTNERSHIPS

Connect and partner with local leaders and organizations to shape development and preserve our greenspace.

ENHANCE MOBILITY

Enhance transportation options for errands and activities so we have more opportunities to safely walk or bike to destinations.

CREATE A GATHERING PLACE

Consider how to create an accessible gathering place for all ages within CBL.

ENHANCE CONNECTION TO BELLS CORNERS

Enhance connections by walking, cycling and transit
